

7th International Conference
Environmental Engineering and Design

Zielona Góra, 23-24.10.2025

Scientific Committee

Chairmen

Prof. Sylwia Myszograj, Zielona Góra, Poland – Environmental Engineering section

Prof. Andrzej Greinert, Zielona Góra, Poland – Environmental Management section

Members

José Carlos Almeida, PhD, Instituto Politécnico da Guarda, Portugal

Prof. Krzysztof Barbusiński, Silesian Technical University, Poland

Prof. Bojan Batinić, University of Novi Sad, Serbia

Prof. Charzyński Przemysław, Nicolaus Copernicus University, Toruń, Poland, V-ce Chairman of WG SUITMA of the IUSS

Prof. Volodymyr Chernyuk, Lviv University of Technology, Ukraine

Prof. Massimiliano Fabbri, University of Naples Federico II, Italy

Prof. Petros Gikas, Technical University of Crete, Greece

Prof. Piotr Hulisz, Nicolaus Copernicus University, Poland

Prof. Agnieszka Jaszczak, Vytautas Magnus University in Kaunas, Lithuania

Prof. Andrzej Jędrzak, University of Zielona Góra, Poland

Prof. Cezary Kabała, Wrocław University of Life Sciences, Poland, V-ce President of Soil Science Society of Poland

Prof. Dana Komínková, Czech University of Life Sciences Prague, Czech Republic

Prof. Tadeusz Kuczyński, University of Zielona Góra, Poland

Prof. Heekwan Lee, Prof., Incheon National University, South Korea

Prof. Makwin Danladi Makut, Nasarawa State University, Nigeria

Etibar Qəhrəmanov, PhD, Baku Engineering University, Azerbaijan

Prof. Iwona Skoczko, Białystok Technical University, Poland

Prof. Sebastian Werle, Silesian Technical University, Poland

Prof. Maria Włodarczyk-Makuła, Czestochowa University of Technology, Poland

Prof. Zbigniew Zagórski, Warsaw University of Life Sciences, President of Soil Science Society of Poland

Organising Committee

Jakub Kostecki, Eng, PhD - Head

Ewelina Płuciennik-Koropczuk, Eng. PhD- Deputy Head

Piotr Ziembicki, Eng, PhD

Marta Gortych, Eng, PhD

Anita Jakubaszek, Eng, PhD

Conference Topics

- Circular economy
 - Renewable energy sources
 - Adaptation to climate change
 - Microplastic in the environment
 - Waste management
 - Reclamation of degraded and devastated areas
 - Sustainable management of natural resources
 - Energy efficiency
 - Air quality and air protection
 - Water and wastewater treatment technologies
 - Thermal energy, ventilation and air conditioning
 - Sustainable energy management
 - SUITMA
-

Framework Program of the Conference

23.10.2025 r.		24.10.2025 r.	
9:00 - 9:30	conference opening	9:30 - 11:30	plenary session
9:30 - 11:30	plenary session	11:30 - 12:30	poster session
11:30 - 12:30	poster session	12:30 -14:00	plenary session
12:30 -14:00	plenary session	14:00 - 15:00	poster session
14:00 - 15:00	poster session		

Forms of participation

Please prepare your speeches, presentations and posters in **English**.

- Presentation in thematic sections
- Posters

Important Dates

30.06.2025 – registration
15.07.2025 – abstract submission
10.10.2025– electronic poster submission

Conference Fees

Participation in the conference is free of charge

Papers Publication

There is no special issue for conference papers.

We encourage you to submit your article to the **Civil and Environmental Engineering Reports** journal

<https://ceer.com.pl> (open call, publication after positive reviews)

2024: MNiSW **70 pkt.**; 2023: **IF 0.6**, ICV 162, JCI 0.14

Contact

Instytut Inżynierii Środowiska

65-516 Zielona Góra, ul. Prof. Z. Szafrana 15 / Tel.: (68) 328 26 37
